Stichting Wijkoverleg Zorgvliet (neighbourhood committee, NC) has been serving our community interest over the last 35 years. Our aim is to maintain and improve the quality of the environment we live in and to preserve the unique green, Villa park atmosphere.

Unfortunately, due to Corona we have to postpone our annual New year's reception and presentation. We are planning to convene a meeting this summer at a unique location in our neighbourhood if conditions allow so. We will inform you in due time.

In the first week of 2021 we will publish our Annual Report. Please check our website www.zorgvliet.net. We have also decided to send our Newsletter via email, we will limit this to not more than two per year. Please send an email to secretariswijkoverleg@gmail.com to subscribe or unsubscribe.

**We wish you a Merry Christmas
And a healthy and prosperous 2021 !**
